A Systematic Approach To Embracing A Positive New World

In the midst of never-before-imagined circumstances, organisations around the world and the Middle East have an opportunity to set a positive course for their new normal. Embracing new ways to live, work, play and care, we can reimagine what is possible.

Quite simply put, Sodexo was made for this moment. We have the unique capabilities and resources to combine a complete range of services – from disinfection to safety services and healthy, convenient meals, wellness services and space transformation. Taking learnings from our early experience in restarting businesses in China during the COVID-19 crisis, we developed a program that helps organisations craft their future and rise with confidence.

Sodexo has created a systematic and comprehensive approach to help you prepare for and implement changes to your daily operations. These services enable organisations to rise to the challenges and possibilities of a new world for our associates, customers, partners, communities and society. When you Rise with Sodexo, you have access to a comprehensive offering of best-in-class practices created by a team of experts and our experience from around the world. Our unique program prioritizes safety, wellbeing, and productivity so everyone can get back to the business of living.

Healthy, Productive Environments for a Better Tomorrow

Rise with Sodexo is a holistic approach to wellbeing readiness. Working together, we prepare you to overcome the challenges of the site restart process before your employees or students return to your locations during their transition to the new normal and beyond.

With dedicated training for our employees, robust disinfection and infection control methods, employee health checks and more, your dedicated Sodexo team will work to your unique requirements and opportunities.

Our clients benefit from our procedures and systems, which we use to monitor, inspect and analyse our operations within your site for optimal visibility and transparency.

Expansive Expertise, Precise Problem Solving

Sodexo's unparalleled global and regional expertise as well as uninterrupted resources position us to take a consultative approach to our partnerships, leveraging broad experience to find pinpoint solutions for your organizational needs.

We work closely with our robust supply chain to give access to the items our clients need to operate safely, like PPE and sanitization products. We customise our services to precisely fit your organisation, leveraging our deep expertise and experience to explore every relevant option to overcome your challenges.

We customize our programs to fit your organization leveraging our deep knowledge of your business to explore the relevant options that will provide a safe, secure and productive environment for your employees.

Ensure People Experience Confidence Every Step Of The Day

Sodexo is committed to making a positive impact. Our approach to keeping people healthy starts with understanding their everyday journeys, experiences and also understanding the social, economic and environmental challenges of the world they live in.

This is why we map out each step of their daily routines and create solutions to address each need. Using this people-centered philosophy, we build a custom plan to adapt the principles and services to your unique needs.

together
we will make great things happen

We're a team dedicated to the spirit of rising to the challenge, evolving our work to help you achieve your goals and exceed expectations.

As we begin to build your customised plan, your Sodexo team will work with you to define governance, review your data to identify opportunities, conduct a risk assessment and define critical activities that will prepare you to open.

Even after all your teams return, Sodexo will support you and your organisation with contactless and disinfection services, providing regular reporting on work completion, inspections conducted, incidents & risks identified.

For over 50 years, Sodexo's foundation of valuing people first continues to differentiate us. As the 19th largest private employer in the world, we deliver an unrivaled array of more than 100 offerings, including on-site services, benefits and rewards services, and personal & home services.
